Project Description: New finishes are to be applied to existing surfaces in order to provide for better wayfinding on the third floor of Craig Hall. Work includes painting, flooring, lighting, tack boards & signage and will be accomplished during the summer of 2015. Alternate items include replacement of existing lights with LED fixtures and new millwork trophy cases in multiple corridor locations.

Plans & Project Manual Available: Plans & project manual may be picked up on **January 19, 2015**, at the Planning, Design & Construction office, 736 S. National, Springfield, Missouri. Anyone requesting plans to be shipped must provide shipping account information. The University is unable to incur these charges.

Deposit: There is a **\$25.00** refundable deposit required for this project. Please make checks payable to Missouri State University. Cash will not be accepted.

Website Access: Electronic sets of plans and project manual are available at www.plans.missouristate.edu.

Parking: The Burgess House has a very small parking lot. When attending a pre-bid or bid opening, if the lot is full, there are meters across the street on the University campus. The visitor/metered parking area is located to the south of Bear Boulevard on Florence Avenue and the adjacent Bookstore parking lot. The city of Springfield will issue tickets to cars parked on the neighborhood streets.

Please Note: In the event that the University is closed due to inclement weather or other unforeseen circumstances beyond our control, all scheduled pre-bid meetings and bid openings will be postponed until the same time on the next business day that the University is open. To verify any closure of the University, please visit the homepage at: www.missouristate.edu
