R N SMITH has hired **CARL RYDER** as an estimator. Carl has worked 35 years in the commercial door hardware industry.

TF FORMING SYSTEMS has moved to a new location at 3990 N. 20th Street, Ozark, MO 65721. The new phone number is 417-200-0052.

WHISLER CONSTRUCTION, INC. is the new name for Seal Safe. The address remains P.O. Box 369, Willard, MO 65781. The phone and fax numbers have not changed: 742-4534 and 742-4553, respectively. However, the new email is mike@whislerconstruction.net and the website is www.whislerconstruction.net.

THANK YOU & CONGRATULATIONS

Thank you to **RICHARD OLLIS**, Speaker at the May Meeting, for giving us a wake-up call about the necessity of a disaster-preparedness plan for our businesses and pointing out some of the critical issues that should be addressed in advance to minimize the negative effects of unexpected disaster.

Thank you to **DIAMOND INTERNATIONAL OF SPRINGFIELD**, who brought lots of freebies for everyone as Sponsor of the May Meeting.

Congratulations to **STEVEN HUXLEY** (Tech Electronics), winner of the \$100 Door Prize.

Congratulations to the following SCA members who were recently honored among this year’s “40 Under 40” by the *Springfield Business Journal*: **Trevor Crist** (Nixon & Lindstrom Insurance), **Jonathan Gano** (City of Springfield), **Ben Hackenwerth**, (Springfield Public Schools), **Gary Schafer** (BKD, LLP), **D. Sean Taylor** (Empire Bank) and **Jaimie Trussell** (MSU).

How Many Pig Roasts Have You Attended?

Although this is the 28th Annual **SCA** Pig Roast, it is *really* the 42nd Pig Roast for the local construction industry. The first one was in 1970 when Nattinger Materials opened up their new plant on Atlantic Street. In the early days, the party was hosted by several suppliers as a “thank you” for their customers and there was no charge to attend. (If you were a regular participant in those “good old days,” call Sheryl at 862-1313 or sheryl@sbcglobal.net and we’ll see if we can find the person who has attended the most often.)

Due to increasing numbers of “Pig Roasters,” the Springfield Contractors Association assumed sponsorship of the event in 1984. Tickets were sold for the first SCA Pig Roast in order to raise money to hire a permanent secretary. The location changed several times (including Springfield Underground and Fantastic Caverns) before we finally settled into our location at Pat Jones’ River Park. Many of the same people who coordinated the first 14 events are still active on the committee. We have fed up to 1100 people in past years although attendance figures have been lower lately. We look forward to seeing everyone again this summer!

**IF YOU HAVEN’T BEEN OUT TO THE PIG ROAST FOR A FEW YEARS
MAKE THIS THE YEAR YOU COME BACK! SEE YOU THURSDAY, JULY 19!**

NEWS BRIEFS

2013 BOARD ELECTIONS will be conducted in July and August. Board Members attend monthly meetings at the SCA Building and are billed \$120 annually to cover lunch costs. Board Members are responsible for the major decisions shaping our future and are expected to take leadership roles on committees and at our social functions. If you would like to be considered for nomination to the Board of Directors, please call the office - **862-1313**.

SCA SUMMER GOLF OUTING - FRIDAY, AUGUST 10, 2012 - SPONSORS WANTED: Hole Sponsors make a \$100 donation and we'll furnish the sign for the tee-box. Beverage Sponsors contribute \$100 each toward the refreshments. We also need volunteers for beverage cart duties. **FREEBIES:** We welcome contributions of towels, balls, tees, etc. for the golfers. Call the office at **862-1313** and let us know what you've got to share or to sponsor or volunteer.

§ § § § § § §

THE CHICKEN BAR-B-QUE SCHOLARSHIP FUNDRAISER will be August 30 (the Thursday before Labor Day). Watch for exciting news of big changes in this event. We will partner with the enthusiastic young people of the Construction Specifications Institute this year (and maybe another group) and we might have a different location for this party to shake things up a bit. We split the proceeds among the partners based on ticket sales and our share will go toward this year's Scholarship Awards. We need some good volunteers to help with this scholarship fundraiser. Call the office (**862-1313**) if you want to help.

INFORMATION FOR THE "NEWS & VIEWS" should be sent to sherylsca@sbcglobal.net. The deadline for submissions is the 3rd Wednesday of the month. We welcome opinion pieces, committee reports, your company news, invitations to parties, etc., anything you want to share with your fellow SCA members.

FROM THE AIA/GOVERNMENT LIAISON COMMITTEE: For the past several years confusion has seemed to rule as to the specifics on Fire Lane requirements in and around the City. Currently, the Springfield Fire Dept. is on a crusade to educate professionals and the public at large on this issue. For a short presentation on the latest Springfield Fire Department Fire Lane access marking requirements for Fire Apparatus, please find the link on the SCA website, www.springfieldcontractors.org. These are based on the 2012 International Fire Code Requirements. -- **David Foreman, Co-chair AIA/Government Liaison Committee**

§ § § § § § §

FROM THE CITY: The adoptive ordinances for the 2012 codes have been placed on the City's website for everyone to use. Please share this information with your employees. See www.springfieldmo.gov/build/. Thanks, **Chris Straw, Architect, Director Building Development Services**.

Piece of Mind...

Brent's 2¢ -- I enjoy membership in the Springfield Contractors Association. It affords me the opportunity to meet new people, visit with folks I don't get to see regularly, and visit in a casual atmosphere with those I do see daily. The SCA is more than an "old school" social network – take a look:

- ⤴ "It is the mission of the SCA to further the interests of the local construction industry..."
- ⤴ Liaison Committees link the SCA to local government agencies, community leaders, and our design community.
- ⤴ Offer Scholarships to local college students.
- ⤴ Vet potential employees for our members through the Employment Referral Service.
- ⤴ Educate members through seminars.
- ⤴ Key supporter of the Salute to Construction.
- ⤴ Recognize and promote safe work environments.
- ⤴ Inform membership through this newsletter.
- ⤴ Sponsor the Missouri State Construction Club.
- ⤴ Team up with the design community to enhance working relationships and work quality.
- ⤴ Industry promotion designed to improve the interrelationships of those involved in construction.

These benefits came straight out of the Springfield Contractors Association Membership Directory, and are just a few of the benefits I receive from the SCA. At the risk of sounding a bit Ralph Manleyish, aren't you excited to be a member? I think you might be so excited that you are going to invite someone to the June patio party. I feel this is what a social network should be, not updates on my computer screen or on my phone, but people getting together face to face to share ideas, the events of the day, or a funny story. So, who will you bring? Bring a backsliding member. Bring a potential member. Bring a friend. Bring your receptionist. Bring Delvan. To lead by example, I am bringing two non-members, and have invited two others. I will also be bringing a fellow employee. Will you please bring someone too? That's my two cents. –

Brent

You're Invited...

June 6 (morning) and **June 21** (evening) – “**Contractor Installation Seminar**” at TF Forming Systems office in Ozark (two identical sessions). This is the revolutionary system showcased at Chateau Pensmore south of Ozark. See the flyer in this issue for details.

July 16 – **NAWIC Chapter #366's 4th Annual Bowling Tournament** will be held from 5:30 to 9 pm at Battlefield Lanes. \$25 per person includes games, shoes, pizza and drinks (excludes alcohol). Prizes, giveaways, trophies. Sponsorships are available for \$50 and will put your company's name above the bowling lanes all night. All proceeds go to NAWIC Southwest Missouri Chapter #366 to support scholarships and other Chapter activities. Contact **Debbie Speake** (417-425-3130) or Debbie@springfieldelectric.net for more details and to reserve your lane.

MONEY FOR SCHOLARSHIPS

The **SCA SCHOLARSHIP ENDOWMENT FUND** balance is now \$20,800.28 after a couple of years of slow or no growth with the Community Foundation. We estimate that we need about \$80,000 in the fund to fully cover each year's Awards (instead of using money from general funds.) You can help with this year's scholarships and help us grow the fund by donating your regular \$20 dinner fee or more at the June General Meeting (Patio Party), by playing golf in the Golf Outings (the Skins Game has 50% payback and 50% toward Scholarships) and by attending the Chicken BBQ on August 30 (net proceeds will go toward scholarship awards). We also accept contributions at any time, including Memorial donations.

The **MSU FOUNDATION** is the entity responsible for soliciting and disbursing donations to the University. Springfield Contractors Association is a proud member of the Foundation based upon the accumulated funds we've given either as scholarships or in support of the Construction students' activities. To date, SCA has contributed **\$28,600** in scholarships and a total of **\$32,150** including other financial support. That's a lot of kids!

YOU CAN HELP SCA HELP OUR FUTURE WORKFORCE BY DONATING TO THE SCHOLARSHIPS AT THE JUNE 5 POOL PARTY!

SUMMARY OF DISCUSSION AT MAY 16 BOARD MEETING:

President King Coltrin called the meeting to order. Ten Board Members were present. The Minutes, Treasurer's Report and one new member were approved.

The Employment Referral Service reported four member companies have called to see about hiring new employees.

The MSU/SCA Liaison committee reported the University has upcoming projects for bid listed on their website (<http://plans.missouristate.edu/>): parking lot improvements, flooring replacement and signage replacement, all on the Springfield campus. The list is constantly changing as work progresses on campus. The plans for the Walnut Street Housing project will be out after May 29 with the bid date set at June 19, 2012. Completion scheduled for occupancy for the fall semester of 2013. The Plaster Classroom project is changing the scope slightly to meet the concerns voiced earlier and the vivarium is being re-designed to help control costs (no basement). University officials reported they had bid 25 separate projects in the last 60 days.

Regarding OTC, it was announced that the Construction Manager for the Waynesville campus has been removed and the project is out for competitive bid in mid-June.

The R-XII Liaison Committee reported the District has a couple of parking lot improvements, a couple of roofing projects and one HVAC project out for bid. This committee will meet in June and then go on hiatus for the summer. Some of the members of this group will be included on the Task Force studying close-out issues. SCA members encouraged the school to use the Bid Date Calendar on our website to post project information.

The Board agreed to participate in co-op advertising with other Salute sponsors for the Salute issue of the *Springfield Business Journal*.

Everyone is encouraged to bring a friend to the Patio Party on June 5. Rather than a regular General Meeting, the party is an afterhours social event with no dinner and no speaker. Four corporate sponsors will cover the cost of hearty hors d'oeuvres and Howard Johnson's is donating a keg of beer (cash bar also available) so that members' regular dinner fees may be donated toward the 2012-2013 scholarship awards. Pledges toward scholarships in any amount will also be accepted. There will be no more General Meetings until September.

We will furnish information provided by the City to our members to help them get the facts regarding renewal of the 1/8¢ sales tax for high priority transportation projects on August 7.

There being no further business to discuss, the meeting was declared adjourned.

SPRING GOLF OUTING RESULTS

If attendance at SCA's Spring Golf Outing is any indication, it may be that the economy is finally improving. After several years of decline, we completely filled the single session with 112 players. It is our intention to also consolidate into one afternoon session this August at Island Green. Maybe we will have enough players to again offer a morning session next year. Another good sign that things are looking up is the number of new Sponsors this year: fifteen new sponsors combined with 36 repeats made a total of \$5000, which will help us balance this year's budget. Everyone enjoyed the grilled burgers for lunch and the beverages flowed freely. **Rob and Connie Alberty** and their staff catered to our every need and made us feel most welcome.

STEVE BAER, Golf Outing Chairman, kept the coolers full and the carts moving so well there was not one complaint that, "we haven't seen a beverage cart in hours!" **Kathy Baer** and **Lyndall Magers** shopped for the goodies which were distributed freestyle. We appreciate the help we received from all our other volunteers who contributed their time and talents putting up signs and dispensing cool drinks to the thirsty golfers: **Jamie Dressler, Krystal Gaines, John Heun, Larry Kendrick, Alan Schroeder, Crystal Shotts and Tracy Watkins.**

Koozie cups were plentiful, thanks to **Nixon & Lindstrom, Midwest Equipment, Diamond International and Guaranty Bank** who also provided tees. **Concentra** contributed tee-packs and **Springfield Blue Print** donated the laminated Sponsor signs.

We do not want to minimize the contributions from our Sponsors, listed below (the number in parentheses indicates how many years of sponsorship). Thank you all most *hole*-heartedly!
