### OSHA 30 Hour for Construction Industry

All construction supervisors or stewards are required to have OSHA 30 hour training to work on state and federal government funded projects in MO. This training is provided to UBIC Policyholders, AmTrust Policyholders (through UBIC, ask your agent for details) and Springfield Contractors Association members for a fee of \$75 per person. **Attendance is required ALL days for completion. Class size is limited to 40 participants.**

**When:** 1/26/15 - 1/29/15 8:00 am - 5:00 pm

**Where:** Springfield Contractors Association Boardroom

1313 Nias Rd. Springfield, MO 65803

**RSVP by 1/6/15. Please email the number of attendees and name of company to [sam@utahbic.com](mailto:sam@utahbic.com) or call 636-359-4325 to register.**

*All training and lunch is provided to UBIC/Amtrust policyholders and Springfield Contractors Association members for \$75. All others must pay \$125.00 per person. Please make checks payable to UBIC and have payment ready the day of training. All attendees MUST have valid photo ID with them for verification purposes.*
