

In honor of Scott Bracy, we invite you to join **TEAM BRACY** and participate in the Springfield 2019 Walk to Defeat ALS at Chesterfield Village on Saturday, September 28.

On May 24, 2019, Scott's world was changed forever. He was officially diagnosed with Amyotrophic lateral sclerosis (ALS/Lou Gehrig's disease), a progressive, fatal neuromuscular disease that slowly robs the body of its ability to walk, speak, swallow, and breathe. ALS can strike anyone, and presently there is no known cause or cure.

Please join our family and others in this fight and consider walking with us or sponsoring **Team Bracy**. With your help, we will be able to make a difference in the lives of people affected by this disease. We want to ensure that no one ever hears the words: "You Have ALS" again.

For more information, please contact Shari Bracy (Scott's sister) at 404.455.7724. **Walk begins at 10:30 am.**

There are several ways you can participate:

DONATE:

Your one-time, tax-deductible donation will help people in our community and fund some pretty cutting-edge research. In honor of Scott, please click on this link: **TEAM BRACY** <http://web.alsa.org/goto/bracy> or make a check payable to ALS Association Mid-America Chapter; Memo: Team Bracy – Scott Bracy Mailing address: ALS Association Mid-America Chapter 2209 Petrus Circle Ozark, MO 65721

WALK:

Come join **TEAM BRACY** on September 28th at Chesterfield Village for the 1-mile noncompetitive walk.

Our family would love to meet you and thank you personally for your support!
