# ADDENDUM NUMBER 01 <br> RFP BIDDING EVENT 0000070433 Boring \& Directional Drilling (G \& W Construction) 

## TO PROSPECTIVE BIDDERS:

The original Bidding Event documents remain in full force and effect except as revised by the following changes which take precedence over anything to the contrary in the Bidding Event document.

## CHANGES:

1. RFP Section II-N - Performance and Payment Bond: Remove "The Bond shall be in the amount of the proposal" and change to "The Bond shall be in the amount of $\$ 200,000.00$ ". This amount has been determined by CU as a generous estimate of total work that might be outstanding at any one time.
2. RFP Section IV-B - Pricing: Add the following line item:

M: BOND
Cost of required bond will be paid by City Utilities. The amount to be paid will be the actual cost of the bond verified by the bonding company's invoice and will not exceed the amounts quoted by the bidder:

Cost of bond in the amount of $\$ 200,000.00$ :
\$ $\qquad$
Cost per additional $\$ 1,000.00$ coverage:
\$ $\qquad$
All else remains unchanged.
